

# How to Play the “Explore the Library” Game with a VR Headset

\*VR headsets are available for loan at the IC Help Desk

## Smartphone requirements:

Best viewed with

- Android OS version 4.0.
- IOS OS version 7.0 or above.

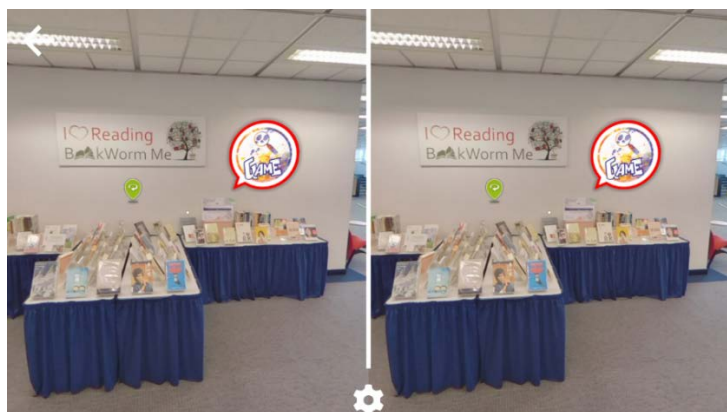

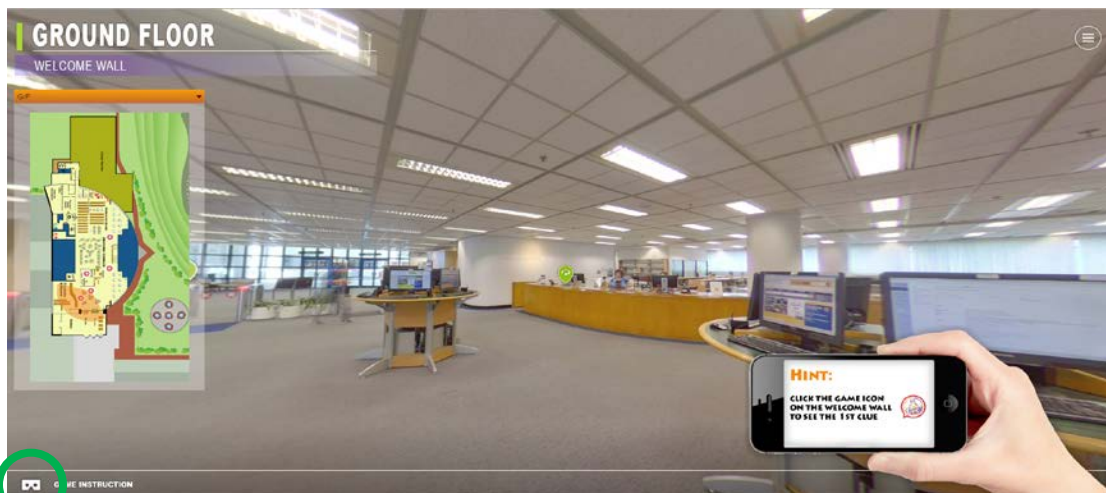

## Step 1:

Scan the QR code or go to <https://lbcone.ust.hk/eobj/puzzle-game/index.htm>

## Step 2:

Click on the VR button (  ) at the bottom left of the screen.

This will activate the VR mode and the display will split into two parts.

(Continue on the other side)

**Step 3:**

Insert your smartphone into the headset.

Hold the headset up to your eyes.

Adjust the headset's straps until it sits comfortably.

**Step 4:**

The white circle at the center of the screen is your cursor.

To play the game, move your head to move the cursor.

When you see an arrow, it will take you to the next place.

Look around for clues (  ).

Open a clue by holding the cursor over it for a few seconds.

Follow the instructions to solve the puzzles.

Then continue.... Have fun!

**Safety:** Please stay seated in one place while you play!
